SENATOR STULL: The start of the amendment would strike the new material on page 6, and the cost of these permits and then would be the same cost as where we use, when we give these permits for the people hauling the crops out of the field and in a bill that Senator Whitney had last year and those would be then a department or county authority leasing a permit may require a permit fee not to exceed ten dollars provided that the fee for a continuing permit may not exceed 25 dollars for a ninety day period.

PRESIDENT: Any further discussion of the Stull amendment?

SENATOR STULL: Now that is already in the statute and I think Senator Burbach, I talked to him about this and he objected to it and I don't want to go ahead when he isn't here because...

PRESIDENT: Is Senator Burbach in the Chamber? Stand by.

SENATOR BURBACH: Mr. President and members of the Legislature. Senator Stull has an amendment and I am not objectionable for a fee for this permit, but if the fee is what is it, 25 dollars?

SENATOR STULL: Not more than \$25.

SENATOR BURBACH: Yea it is not more than \$25 and this is for another exemption which we have on the highway system for special loads. This is too great because this is only a 15% increase and the other one allows for a 25% increase. I would suggest that Senator Stull's amendment is fine except that the fee is too high and I would strike the word 25 and I would like to amend his amendment and make it \$7.50.

PRESIDENT: Senator Burbach is asking to amend the Stull amendment. Senator Stull, do you want to comment on his action?

SENATOR STULL: That is agreeable with me and I have the amendment written out and what it really says then it would strike the new matter that is in the bill and would insert the fee of \$7.50 should be charged for a permit authorized by subdivision 1-D of this section.

PRESIDENT: O.K., you will pass that up I presume? The question actually before us now is the Burbach amendment which Senator Stull, well excuse me, we now have the Burbach amendment to the Stull amendment. Senator Simpson, do you want to be heard on the Burbach amendment to the Stull?

SENATOR SIMPSON: Mr. President, I would like to hear the amendment read again.

PRESIDENT: O.K. Will the Clerk please read the Burbach amendment to the Stull amendment which just came in?

CLERK: Was that what this is right here?

PRESIDENT: Yes.

CLERK: O.K. this is the Stull amendment on page 6 in line 13, 14 and 15

PRESIDENT: No, it is the Burbach amendment, excuse me, I think that it is the Burbach amendment to the Stull amendment but it is still Senator Stull are you offering it?

SENATOR STULL: Yes.

PRESIDENT: O.K. thank you. The Chair is confused.
